

TECHNICAL RIDER
CRUDA
COLLECTIF A SENS UNIQUE

STREET VERSION

« CRUDA » is a 30-minute solo show for all audiences. The technical conditions stated below must be respected in order for the show to run smoothly. Please read the entire document before signing.

IMPORTANT: If your space's conditions are different than those mentioned below, please contact us for information about possible adaptations.

SHOW LENGTH: 30 minutes

AUDIENCE: all audiences - 350 people max., ages 5 and up

INSTALLATION: 2 hours of stage installation

The installation may take place the day before or the day of the show, depending on the scheduled show time.

TEAR DOWN : 1.5 hours

STAGE AREA:

Please verify that your floor is ok for the show, you can check with us directly and look at the pictures on the last page. If you can, privilege a place on the shade.

STAGE: The stage should be at least 7m x7m, flat, smooth, and without incline, and a hard surface. We prefer no risers or raised stages. - The stage must be flat. Without incline.

- please provide 2 bags/weights of 20 kg.

HEIGHT: 4m of free space minimum.

If the technical conditions do not meet the standards outlined in this document, the artists and technical crew have the final decision about whether or not to perform.

AUDIENCE INSTALLATION:

This show includes a lot of floorwork. To ensure that the audience has clear visibility if you have some bleachers or some benches will be great. If there are any doubts concerning the audience placement, please contact the company's technician.

LIGHTING: The company won't bring any light material

If the show is at night, please provide

- a row of frontals : 6xPC 1kW with barn doors(5m min height) R119
- a row of back lighting : 6xPC 1kW with barn doors (5m min height) R119
- A light technician who, if necessary, can set up and manage all the electrical connections.

SOUND:

Please provide a sound system adapted to the space and the audience.

- If possible, please provide stage monitor speakers.
- A sound console with a mini jack input (for a computer) must be located in front of the stage

RECEPTION DURING THE TOUR:

Next to or near to the stage, please provide clean and comfortable dressing rooms big enough for 1 artists and 1 technician, with a sink, costume rack and mirrors. Please make sure that this space can be locked or is supervised throughout the duration of the show.

- Please provide sufficient snacks for the day, such as cold and/or hot drinks, water, fruit, dry fruit...

IMPORTANT: the company tours with a little dog, please take this into account when reserving the hotel .

Depending on the date, the company will be touring 2 or 3 persons.

- Lodging: 2 singles that accept little dogs !
- Meals: for 2 or 3 people
, 2 vegetarians (no meat or fish, but can eat dairy and eggs)
- Please provide secure parking for the van at both the performance site and the housing site.

CLIMA ISSUES

THE SHOW WON'T BE ABLE TO PERFORM IF THERE IS:

Rain (all kinds)

Wind stronger than 50 km/h

Temperature lower than 8°C

Temperature higher than 35°C

If the weather is not good, the decision to perform or not is taken by the artist and the technician of the show

THIS TECHNICAL SHEET IS PART OF THE CONTRACT. DO NOT HESITATE TO CONTACT US IF THERE ARE ANY DIFFICULTIES IN SATISFYING THE TECHNICAL CONDITIONS. ALL PROBLEMS HAVE A SOLUTION ! Thank you.
